Team Update

It's all there – www:swimrobalos.com

Wow!!!!

Swimmers are working hard – they are improving with every day and most of all – they are having fun.

We are thrilled with our new **Co-Head Coach, Ty Yarnell**. We have already seen a ton of what she can do with our younger swimmers on the pool deck with stroke instruction. She's on vacation this entire week, but will be back next week. Thanks for stepping up Ty – we are happy to have you on board.

The Parent Club is experiencing a lot of success with the snack bar, raffles, snow cones and merchandise. Your support this year has gone to several new easy-ups, a new BBQ, the best hospitality in the league for volunteers, and much more. Please continue by supporting the Robalos through these great fundraisers. Congratulations to all of the winners of the great raffle prizes so far.

Pre-sale tickets raffle tickets are available. Call Carolyn at 887-1883
